

Peacock™

Water Effect:

Creates a unique fan shaped water effect which is similar in shape to a peacock's tail.

Performance Characteristics:

The Peacock™ is a water level dependent effect that requires a constant water level for proper operation. A wind control device may be required (see pg. 87).

- Water Level Dependent - Yes
- Wind Resistance - Fair to Good
- Sound Level - High
- Clogging Potential - Low
- Splash Radius - 2.0

Material: Machined cast bronze
Finish: Natural bronze
